

Updater

The moving concierge your clients have always needed, Updater is the trusted moving app for the 17 million households that relocate every year in the U.S.

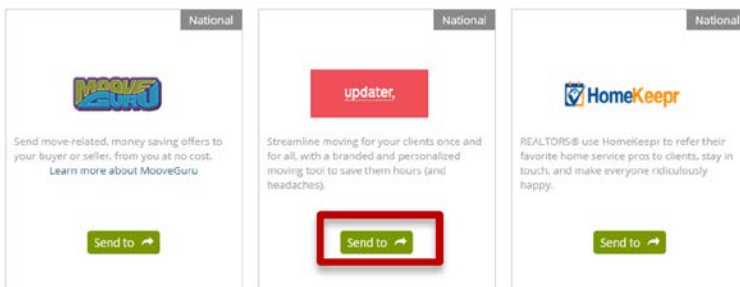

From within a zipForm® Plus transaction, click “Client Services.”

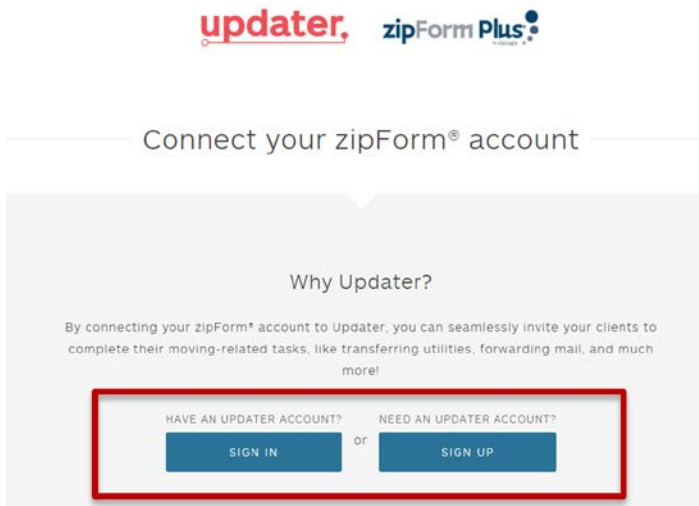

Choose “Send to” under the Updater logo.

Client Services

Easily send transaction information to any service below with one click.

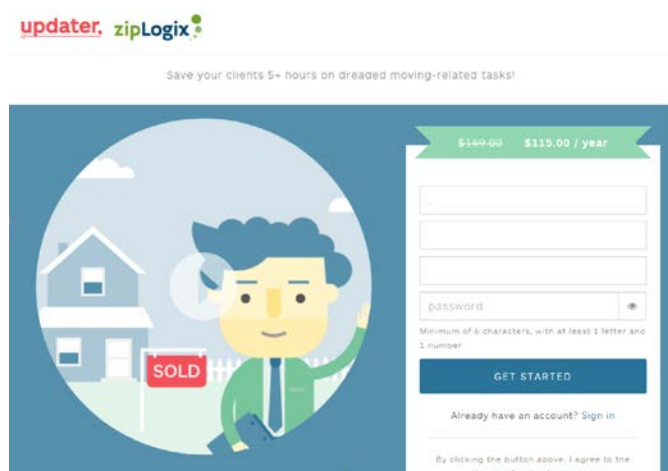

The following screen will appear in the form of a pop-up. If you already have an Updater account, you may sign in here. If not, you may also sign up in this same window.

Once you have created your Updater account, you may then invite your clients to use your branded Updater site to help them complete moving tasks.

Each client receives a unique link that personalizes Updater for him/her. With Updater, you will help your clients seamlessly transfer utilities, notify accounts, forward mail, and more!
